Biography

Genre: Indie/Garage Rock

Type of Band: Original

Location: West Palm Beach, FL

Established: July 2017

Current Members:

Casey Cereceda - Rhythm Guitar/Vocals

Roberto Lopez – Bass/Guitar/Vocals

Goals: This coming year in 2019, we are raising the bar for ourselves since we wrote out our goals for our inaugural year that included gigging around the state, applying for Sunfest Music Festival (West Palm), and releasing an album. This year, we plan to gig light in the Spring as we begin to work on our second album, compete for a spot on the Sunfest lineup in the Battle of the Bands, cross state lines touring in the summer, reach out to record labels open to submissions, and release our sophomore album by the fall.
